**By Doug Meacham**

## **Introduction**

Working to provide satisfying activities for a Grad Party can be an extremely challenging task.

This special report will help you to put on a terrific and satisfying Grad Party that will satisfy your graduating seniors and reflect positively on you, even while on a tight budget!

Let's begin to see how you can bring in a great program that will satisfy your needs and get rave reviews from your Grads!

## **What's out there now;**

Here are some common economical Grad Party offerings:

- Casino Night
- Stand Up Comedy Show
- Swim Party
- Group Dinner

## **Audience Participation Show**

As a fresh alternative, this type of show will allow your grads to laugh and participate as they can be the stars of the show, and later discuss their experience with anyone who's interested. You'll be amazed just how much everyone will talk about it. It's completely different from any other sort of show offering!

## **A Program That Will Be the Highlight of Your Grad Party Activities**

### **The Retro Hypno Comedy Hypnosis Show**

#### **The perfect solution!**

Specially formulated for your graduating seniors, Retro Hypno offers special rates for Grad parties. It can be bought at a flat-rate fee, with a minimal deposit to lock in the date and show.

Retro Hypno provides quality engaging entertainment for your students, their families and facility members. Our show has its roots in the traditional hypnosis show of the 40's and 50's which was about good clean entertainment. There is never any question the show will entertain and be appropriate for any age group. We provide everything to ensure your show is a hit. We have our own sound system; our own music and the experience to make your event a laugh-a-minute, fun filled extravaganza.

At previous grad night parties the organizers and guests have been thrilled with the entertainer and interaction of the show. One of the volunteers from our last Grad night show came up to Mr. Meacham, shook his hand, smiled, and said:

“You really messed me up...that was great! Thanks a lot!”

*Kyle, Seaside High Grad Party, Student Guest*

Before we left our contact person told us:

“I’m putting you in my contacts book!”

*Tiffany, Seaside High School Grad Party Entertainment Coordinator*

Douglas Meacham is a board certified hypnotist. He has performed at Grad parties, provided entertainment for service club fundraisers, as well as preformed at night clubs and at the Venetian Hotel in Las Vegas. His shows are enjoyed and talked about long after the guests have left. This is the secret to successful and safe Grad Night parties.

The results speak for themselves. These are quotes from letters and e-mails by some of Mr. Meacham’s volunteers:

“We have not stopped talking about the show, Doug...I think you’ve got a hit on your hands with this!”

*Paula, Federal Way*

“I still don’t believe they did all that stuff. What a super show, I’ve never laughed so hard. When are you coming back?”

*Rene, Boulder, Colorado*

“Wonderful, entertaining, great! ...we’ll have you back.”

*Gary, Gresham Eagles*

Now I want you and your students to experience this entertaining, super show. I want you to get as excited as the other guests that have been entertained by the Retro Hypno Comedy Stage Hypnosis Show.

### **Next Step**

Graduation nights can be precarious for our young students getting ready to go out on their own. One of the biggest issues is drinking and drugs. While drunk driving is a serious problem, other fatalities occur related to these two behaviors. Less than half of the alcohol related fatalities are caused by drunk driving. Some are caused by binge drinking, suicide, or homicide. Then there are the hundreds of sober teen drivers have fatal accidents on these nights. That is no way to remember the last year of high school.

**So this is what I suggest you do:**

1. Contact Retro Hypno by phone or [e-mail](#).
2. Tell us what you are looking for as far as length of the show and time
3. Let us work with your plans and needs to help you set up the most successful Grad Night Party possible.
4. Unlike many other hypnosis shows, we are local so you don't need to add boarding, or travel expenses to our price. All you pay is our special rate and minimal deposit for the show.
5. After the show, if the students are interested, we have videos of the entertainment for sale.

With so many organizations wanting Retro Hypno to do return shows, our calendar fills up rapidly. We still have dates available, but they fill up quickly. I don't want to be forced to disappoint you and your students after all I have told you about our program.

Just pick up the phone, right now, and call us at 503-319-7142. We will personally answer whatever questions you might have left (if there are any!) and we will make sure to reserve you whatever spot I have left when you call.

We look forward to speaking with you today!

You may contact us to request more information about the Retro Hypno Comedy Hypnosis Show. At that time we can determine if we have open dates available for your grad party and supply you with some more information, as well as a demo video so you can personally review the performance your grads can enjoy.

You may speak with Doug or Colleen. We will be happy to answer any questions you have.

I urge you to contact me even if you are just curious or uncertain of your interest, since dates are very limited and may already be sold out in your area.

Thank you for your request of this special report and if we currently work with you, I hope you have found some valuable ideas.

If we have not yet started to work together, I hope this is the beginning of a long and mutually beneficial relationship that creates the highlight of your event calendar, even on a tight budget!
